

## EDUCATION

### **Bachelor of Computer Applications (BCA) (Hons.), Computer Application**

IPSAR

2021 - 2024

## POSITIONS OF RESPONSIBILITY

Contributed in many environmental awareness activities conducted by the environmental society of our college.

Managed the team visit program organised by our college to ITExpo, Bbsr.

Led a team of 5 batchmates to plan and organise the presentation webinar in our campus.

## TRAININGS

### **Web Development**

Internshala Trainings, Online

Dec 2023 - Present

I am pursuing this course to develop practical knowledge on web development and polish my skills including HTML, CSS, JavaScript, Bootstrap and SQL.

## PROJECTS

### **Project on the Single-page Website**

Oct 2023 - Oct 2023

<https://sonalika-samal.github.io/R/>

Developed a beautiful and refreshing Website- 'Living Life To The Fullest' that tells about my perception on Positivity and Living Life. Added sections such as Navbar, Home, About, Gallery, Contact, etc. using HTML, CSS and JS.

### **Project on the Personal Portfolio Website**

Dec 2023 - Present

<https://sonalika-samal.github.io/R1/>

Built a Personal Portfolio that describes my Web Development journey and includes my personalized notes on HTML, CSS, JavaScript, SQL and C++. Mentioned sections such as Home, About, Web Development, etc. using HTML, CSS, JS and Bootstrap.

### **Project on the Clone of an E-Commerce Website**

Dec 2023 - Present

Developed a functional E-Commerce Website inspired by Flipkart, in collaboration with my batchmate. Implemented

features such as user registration, product listing, shopping cart, etc. by utilizing HTML, CSS, JS and Bootstrap.
